

## January Newsletter - 2026

### Website Update

The new Pathfinder Parachute Group website has been successfully launched and can be viewed at <https://www.pathfinder-uk.com>.

I encourage you to review the site and provide any recommendations, corrections, or changes needed to ensure that it serves as a comprehensive resource for our ongoing development.

Please send any photos and videos that can effectively showcase our activities via wetransfer or similar to [allan@pathfinder-uk.com](mailto:allan@pathfinder-uk.com)

### April Course

The upcoming April jump course is our next opportunity to train new Pathfinder Parachute Group members. To ensure we meet our financial commitments, please share the following link with anyone who may be interested in joining Pathfinder Parachute Group:

Additionally, I would like to know who will be attending and requires completion of their five jump course, as well as any members seeking currency or progression jumps. Please inform me via our website form so I can plan accordingly.

I will also be running a packing course during the April training course, for those interested in becoming a club packer. Qualified packers will earn £10 per pack job in our new system.

### Staff Page

I have started the staff page, but additional information is necessary for completion. Please provide details of individuals who have supported the

Pathfinder Parachute Group over the years, along with a brief resume similar to the content already available on the site to help me complete this page.

I am also addressing staff remuneration to ensure that volunteers are supported in the best way possible during our courses and events; please bear with me as I study the best way to achieve this.

### **Events Coordination**

With the website and business plan now established, I can start organising the events. This process involves significant administration and documentation, so I appreciate your patience while I get my head around the best way to support our members.

### **Pathfinder Parachute Group Membership**

Supporting our members is one of my highest priorities. I am currently researching the best benefits that we can provide.

The annual membership subscription ends on January 31st. If you have not renewed yet, please use the link on the members page.

I understand that paperwork can be tedious, but it is essential to update our members' profiles with emergency contact information. I kindly ask all members to complete the form on the members' page.

### **Donations and Support**

I am committed to promoting the Pathfinder Parachute Group to secure donations and sponsorships that will help reduce event costs for our members, as I recognise the financial burden of travel, accommodation, and aircraft hire, as it's cost me at least £1,000 per trip every time I committed to an events.

Please feel free to share this page with individuals who may be inclined to support the Pathfinder Parachute Group.

### **Volunteers Acknowledgment**

I would like to express my gratitude to everyone who has reached out to volunteer their assistance during courses and events. I will be organising the volunteer roles and responsibilities shortly, including remuneration where feasible.

I will communicate with you all once I have finalised the remaining aspects of the business plan to ensure our volunteers receive the support they provide

Thank you and best Regards

Allan Hewitt
