## Important Updates for 2026

- Introduction
- Membership
- April Course
- Continuation & Progression Jumps
- Packing Course
- Events

### Introduction

I'd like to thank everyone for your support and patience, as I complete the website and start on the courses, and events planning.

We had some issues with form submissions; however, this has now been resolved with our upgrade to a paid service.

With Roy's retirement, I kindly ask you to minimise administrative inquiries by using the website as your primary point of contact. Roy continues to forward emails to me, and I direct most inquiries to the website, however, I am still be available to address any individual questions.

### Membership

Membership renewals for 2026 closed on January 31st; however, some members have mistakenly continued to send payments to Roy, requiring refunds. Additionally, long-term members have inquired about renewing their memberships since the payment links are no longer active.

To accommodate this, I have extended the renewal period for memberships until February 28<sup>th</sup>. If you have not yet renewed, please use the payment link available on the [members page](#) of our website.

Currently, we have 115 active members out of 388 listed on our mailing list.

Members enjoy a 25% discount on all events and jumps which can make joining very beneficial.

I've had 25 payments from members not on the mailing list. If you want to be kept up to date, please join the mailing list from one of the pages on the website.

## **April Course**

The April course is currently under-subscribed. If we do not receive additional bookings, this course may be subject to cancellation. We require at least 12 student deposits by February 28<sup>th</sup> to confirm this course, allowing everyone ample time to plan accordingly.

Please promote the website's [course page](#) to introduce more people to our round parachute course and attract more members to Pathfinder Parachute Group. Let's try to fill this course.

## **Continuation and Progression Jumps**

We currently have eight continuation students who wish to attend the April course, along with several Pathfinder members, eager to increase their jump numbers.

Continuation jumpers will not incur any charges, as payment is included in the initial course fee.

If you intend on joining the April course, please complete the attendance form on the website [progression page](#)

## **Packing Course**

We have 4 interested in the packing course for April and I would like more if possible, to make the new system work.

The new system allows all qualified packers to receive payment for their packing services.

If you're interested please state this on the website [progression page](#) attendance form.

## **Events**

I have started planning for 2026 events; however, this task is challenging without more information.

I kindly request that all Pathfinder members take part in the survey on the [events page](#) of our website, to indicate your preferences for the events you wish to attend.

Your feedback will be invaluable in helping me plan effectively, and more importantly, determine the costs.

Thank you and best Regards

Allan Hewitt
